### **Appointing an interim principal for Murrayfield Primary Academy**

Following the note earlier this month on the appointment of an interim principal for Murrayfield Primary, I am pleased to be able to tell you that Neil Winn has been appointed. Interviews were held yesterday and the panel was unanimous in its decision.

Neil will start immediately so you can be clear about who is leading the school – and his appointment will run until December 2018. Bill Holledge will still be very much involved with Murrayfield to provide continuity and support as required.
