Childhood Flu Vaccination

The school-based nasal flu vaccination programme helps protect your child against flu. Flu can be a dangerous illness and sometimes causes serious complications. Your child is entitled to the vaccination free, from the NHS.

If your child missed the vaccination at school, please contact us on **01473 554247 to book a clinic appointment.**

If a grandparent, step-parent or childminder will be bringing your child to clinic please advise us when you book your appointment.

Further information can be found online [here](#). The medical information can be accessed [here](#), a child-friendly film can be viewed [here](#).

We provide this service to help protect the health of your child as part of our public task as a health service provider. Your child's school has provided us with your contact details. We will update your child's electronic health record and notify your GP of the immunisation.

We may contact you via SMS; if you do not wish to be contacted via text, please let us know.

If you require further advice or information, please contact the School Immunisation Team:

Tel: 01473 554247

Email: ccs-tr.suffolkimmsteam@nhs.net

Yours faithfully

Schools Immunisation Team Nurse Lead
