

Dear Parents and Carers,

As part of our topic this term we are learning about new life.

The children have enjoyed the experience of watching the ducklings hatch and grow for their first week. As you can imagine the children have been very excited about this and are able to talk about the life cycle of a duck. They have also looked at the life cycles of other creatures too.

As we come to the end of the spring term we would like to invite you to come and join your child for 2 events;

1) [A Spring Craft Parent Share event in school.](#)

Please come to the front office, where a member of staff will escort you to your child.

Nursery: 10.45am on Wednesday 3rd April

Reception: 2.15pm on Wednesday 3rd April

We will provide all the necessary resources for this craft, glue, scissors felt-tip pens, pencils and crayons etc. We just need you to come and share this time with your child.

It would be lovely to see as many of you as possible at this event. If, however, you cannot attend you are still welcome to make the craft at home with your child and send it to school after the holidays. If this is the case, please indicate on the form below and we will send you the resources and instructions to make the craft.

2) [A time to share your child's Learning Journey](#)

The gates will open slightly early to allow you time to join your child in class to look at their Learning journey (their special book that will showcase a sample of their work.)

Nursery: Gate opens at 11.30am on Friday 5th April

Reception: Gate opens at 2.30pm on Friday 5th April

You will be able to take your child home after these events at the usual time. Please complete and return the slip below to indicate whether you are able to join us.

Yours faithfully

Becki Lemke EYFS Lead
