

Dear parents/carers,

It is with great delight that I can inform you of the outcome of the nominations for members of the Academy Council.

We received three nominations; therefore all will automatically serve as members of the council, serving for a term of two years. Elections will take place at the beginning of next academic year (September) for the additional vacancies.

The successful nominees and therefore the members of the council are

- Abdel Amer (parent of Year 2 and Year 5 pupils)
- Jo Brown (parent of Year 3 and 6 pupils)
- Jose Sousa (parent of Year 4 pupil).

Over the coming weeks a chairperson for the council will be determined and the first meeting will be organised to take place before the May half term. Please remember that all parents/carers are welcome to attend all Academy Council meetings.

Yours faithfully,

Neil Winn

Principal
