

Dear Parents and Carers,

As part of the Early Years Foundation Stage at Murrayfield Primary Academy we like to include parents and carers in some of the children's learning opportunities at school.

Our current topic is all about ourselves and we would like to invite you to spend some time in school with your child to create a family tree. Please come to the front office at the time indicated below.

Nursery: 10.45am on Thursday 17th October

Reception: 2.00pm on Thursday 17th October

You may wish to bring along photos of your family. These photos can be cut and glued onto the art work you will be creating with your child. We will provide glue, scissors, felt-tip pens, pencils and crayons to help make the craft.

It would be lovely to see as many of you as possible at this event and it will give you an opportunity to meet some of the staff working with your child. If, however, you cannot attend you are still welcome to send some photos (in a named envelope) and we will work with your child in school.

Please complete and return the slip below to indicate whether you are able to attend.

Yours faithfully

Becki Lemke
