

Murrayfield Primary Academy

Academy Council meeting 28/6/24

Attendees:

Becky Blackman (Assistant Principal)  
Clair Tramontini (parent/Academy council member)  
Claire Kalinowska (parent/Academy council member)  
There were no on-line attendees.

1) Grass play area

Becky updated us- Foxes have again been seen on the grass play area. They are legally classified as a pest meaning that the students can't access the area until a report from a specialist pest control company has been received and actioned. Our caretaker will keep an eye on the situation over the summer holidays.

2) Summer Concert

All relevant information had been issued to parents prior to the meeting, via e-mail. The concert will be outside on Thursday 11th July, between 1.30pm and 3pm.

3) AOB (any other business)

Car Park. The Murrayside Community Centre car park will be greatly reduced in size from the 8th July due to building works going on. Please avoid if at all possible, there is plenty of space down Murray Road at the side of the park. Please do not park directly in front of the school.

4) Active Travel initiative

Becky is looking at trialing some of the options from this initiative in the Autumn term. Park and Stride, parking further away and walking the rest of the way. Creating a team of Junior Safety Officers. Starting a Walking Bus with the help from parent/carers volunteers (who will have a DBS check)

5) Year 6 transition to high school

If any parent/carers has concerns about the transition to HighSchool, please let their form teacher know as soon as possible.

This is the last meeting for this year. If anyone wishes to become a member of the Academy Council next year, or wants to know what the role involves, please contact the school office.
