

Murrayfield Primary
A Paradigm Academy

Dear parents/carers,

We are now at the end of the Summer Term, which means it is time to say goodbye to our wonderful year 6 children. It has been a pleasure watching you all learn and grow over the time you have been at Murrayfield and we wish you all every success for your next chapter.

We have had lots of exciting activities taking place over the last few weeks and would like to thank you all for taking the time out of your busy days to support us at our year 6 production of Matilda the Musical, our sports days and most recently our Summer Concert - I think you will all agree that the children did fantastically at these events and they were enjoyed by all involved.

We have included some important information in the newsletter including details of the swimming/PE timetable, after school clubs and our dates for the diary, please do take the time to read through.

We wish you all an enjoyable and restful summer break and look forwards to seeing you all and welcoming our new reception and nursery children back on Wednesday 3rd September.

Kind regards
Claire

Principal, Murrayfield Primary Academy

TERM DATES

Tuesday 22 July 2025 - Last day of Summer term

Monday 1 September 2025 - INSET day

Tuesday 2 September 2025 - INSET day

Wednesday 3 September 2025 - First day of term

Friday 24 October 2025 - Last day of term

Monday 3 November 2025 - First day of term

Friday 19 December 2025 - Last day of term

Monday 5 January 2026 - INSET day

Tuesday 6 January 2026 - First day of term

DATES FOR THE DIARY

September

Monday 1st September 2025 – INSET day

Tuesday 2nd September 2025 – INSET day

Wednesday 3rd September 2025 – first day of term - children return

Thursday 11th September 2025 – Academy Council meeting (virtual) 9.15 – 10.15am

October

Thursday 23rd October 2025 – Academy Council meeting (virtual) 9.15 – 10.15am

Friday 24th October 2025 - Class year 1 parent share 2.15 - 3.00pm

Friday 24th October 2025 – last day of term

Monday 27th – Friday 31st October 2025 – half term

November

Monday 3rd November 2025 – first day of term - children return

Thursday 6th November 2025 – school photos

Friday 7th November 2025 - Class year 2 parent share 2.15 - 3.00pm

Monday 10th November 2025 – flu immunisations

Thursday 13th November 2025 - Springboard parent share 2.15 - 3.00pm

Wednesday 19th November 2025 - Class year 1 / 2 parent share 2.15 - 3.00pm

Friday 14th November 2025 - Children in Need - wear one colourful item of clothing

Tuesday 25th November 2025 – flu immunisations follow up session

Wednesday 26th November 2025 - Reception parent share 2.15 - 3.00pm

December

Thursday 4th December 2025 – Academy Council meeting (virtual) 9.15 – 10.15am

w/c 9th December 2025 - winter performances (dates and times to be confirmed)

Friday 12th December 2025 - Christmas jumper day and Christmas lunch

Wednesday 17th December 2025 - Year 5 parent share 2.15 - 3.00pm

Friday 19th December 2025 – last day of term

January

Monday 5th January 2026 – INSET day

Tuesday 6th January 2026 – first day of term - children return

Thursday 15th January 2026 – Academy Council meeting (virtual) 9.15 – 10.15am

Friday 23rd January 2026 – Young Voices

February

Friday 13th February 2026 – last day of term

Monday 16th – Friday 20th February 2026 – half term

Monday 23rd February 2026 – first day of term - children return

June

Monday 1st June 2026 – first day of term - children return

July

Thursday 2nd July 2026 – Academy Council meeting (virtual) 9.15 – 10.15am

Thursday 2nd July 2026 - St Alban's high school transition day

Friday 3rd July 2026 – Sports Day (Reception – year 5, year 6 helpers)

w/c 14th July 2025 Summer concert (date and time to be confirmed)

Friday 17th July 2026 - Last day of term

Nursery had a wonderful morning at Felixstowe beach as part of their topic 'Journeys and Holidays'. The children enjoyed the bus ride and when we arrived at the beach they explored the sand and found stones, shells and seaweed. Lots of pupils worked together to build some fantastic sandcastles. We finished our trip by looking at the gardens and enjoying a snack before returning to school. In class the children have continued to learn their RWI sounds and have enjoyed using our sound table to practice saying the sounds they know as well as new ones learnt. In maths the children have been continuing learning their numbers up to 20 and also using the words more and fewer to compare the number of objects counted. We are finishing this half term by using the programmable toys and the vocabulary, forwards, backwards, turn, left and right. A busy and exciting half term of learning children, well done!

Jasmine & Hannah, Nursery teachers

This half term in **Reception**, our topic has been 'Journeys and Holidays'. Pupils have enjoyed learning all about different modes of transport and how they move. We have explored different holidays, looking at the different climates we would experience, and what we would need to pack in our suitcase. Pupils have enjoyed having lots of time accessing our outdoor provision this term, enjoying the warmer weather. We have been very busy planting runner beans, pumpkins and flowers in our garden area, and have been taking good care of them so that they grow. In maths and literacy, pupils have been preparing for year 1 by completing more whole class learning sessions. They have adapted to this very well, and we've been really impressed with the work they have produced. Reception really enjoyed their transition day in to year 1, and many of them have been talking about how excited they are for September.

Georgina, Hannah & Kiri, EYFS teachers

This half term has been a busy and exciting time for **year 1**. We had a fantastic time taking part in sports day and the summer concert - it was great fun practicing and performing for everyone. In our art lessons, we have explored weaving and learned how to create beautiful patterns using a range of materials, from paper to wool. It was a wonderful hands-on experience that everyone enjoyed. We also took part in our transition day, which gave us a taste of what's to come. We're all looking forward to new challenges and learning even more in the next academic year. This half term, we began reading our class book, Fantastic Mr.Fox, and we've really enjoyed following his exciting adventures! We'll be back soon with more news from our new classes. Until then, we wish a wonderful Summer!

Ana and Charlotte, Year 1 teachers

Year 3 has had such a busy few weeks. We have been completing our final reading and maths assessments. The children worked really hard, using the skills of problem solving, arithmetic and reasoning. The children have this term been reading a new book "Rumaysa" that has given a humorous new take on the story of Rapunzel. This term the children have had some exciting experiences including baking their own bread in food technology and taking a trip to Bury St Edmundsbury cathedral. The children learnt the tale of St Edmund, even getting roles in a small play to perform the tale. The pupils had lots of questions to ask the staff and we went on a tour of the historical grounds. The children performed beautifully on such a hot day in the summer concert and we were very proud of how well they did.

Laura and Florence, Year 3 teachers

This term, **year 2** have been exploring the United Kingdom in geography and learning about living things and habitats in science. In art, they brought these topics together through colourful weaving projects, using texture and pattern to reflect the natural world. The children really enjoyed developing their fine motor skills while creating these beautiful pieces — a great example of how learning can be both creative and cross-curricular!

Aiste and Tasnim, Year 2 teachers

After a busy week last week with the Summer concert and assessments, the **year 4** children are continuing reading the book 'The Girl Who Stole an Elephant' - a story about a remarkable little girl who goes out of her way to help people who are less fortunate than herself - even if that means stealing the Queen's jewels! In geography we have been looking at the differences between urban and rural areas and the different reasons people choose to live there. Science is all about renewable and non-renewable forms of energy. Children are learning about how we can use the sun's energy, wind and water to make electricity and have come up with some great ideas on how we can conserve water and electricity use. In maths, children are having fun changing numbers to Roman numerals and are quickly grasping the rules for this.

Hazel and Gemma, Year 4 teachers

What a fantastic year we've had in **year 5**! In maths, pupils strengthened their calculation skills and problem-solving. In Literacy, *Rooftoppers* inspired great writing and imagination. Our shared reading adventures with *The Iliad* and *The Odyssey* brought myths to life! In science, we explored light and sound through fun experiments. Geography focused on local maps and learning about physical and human features. In art, pupils used sewing skills to create animals from fabric shapes. Spanish was a big success—many can now hold short conversations confidently!

Thank you to all children for your enthusiasm and excellent behaviour. We're so proud of your progress this year. Have a wonderful summer break— and best of luck in year 6!

The Year 5 Team- Kudzie and Donna

Year 6 have had a great last term at Murrayfield. The pupils worked really hard and performed their fantastic end of term show Matilda, to both parents and the school, it was amazing. Well done to everyone involved for all their hard work. SATs results arrived this term and all the pupils should be really proud of their results and the progress they made. This term year 6 have been mastering their sewing skills and have really enjoyed making pencil cases. The Summer concert was a great success, everyone had a great afternoon. We also took part in the school sports day, with year 6 showing their community spirit by helping the rest of the pupils in the school to have a fantastic day. Our sports day took place at Ipswich Academy, with Murrayfield pupils competing against the year 6 pupils from other schools in the trust. Well done to all the pupils in year 6 for all of your achievements and good luck for the future in your new high schools, where I am sure you will continue to succeed in everything you do.

Yvonne and Becky, Year 6 teachers

It's been a busy and exciting term filled with lots of new learning experiences for our pupils! In geography, we learned all about where we are in the world and explored our local area. We also looked at different types of places where people live, including urban and rural areas, and discovered different natural landscapes like mountains and rivers. In science we learned about the different types of animals like birds, fish, mammals, reptiles, and amphibians. We also learned how animals adapt to where they live and what they need to stay alive. We looked closely at the life cycle of a frog, found out what owls eat, and explored pond life. We even went on a bug hunt in our school grass area, counting all the different bugs we saw.

In maths, we practised different ways to solve word problems and learned about the difference between how much something can hold (capacity) and how heavy something is (weight). In shared reading, we finished reading "The Iron Man" and the children wrote some fantastic stories inspired by it. Some of our Year 3 pupils had an exciting trip to Bury St Edmunds Cathedral.

And finally, we had an amazing sports day where everyone took part in all the races and games. It was great to see everyone having fun and trying their best! We hope you enjoyed hearing about what your child has been learning this term in leappad. We're really proud of all their hard work!

Lusna, Leap Pad 1

As we reach the end of the school year, our class has continued to enjoy a wide range of exciting and meaningful learning experiences.

In reading, we proudly finished Harry Potter and the Philosopher's Stone and have now moved on to the captivating adventure story The Girl Who Stole an Elephant. The children have loved getting to know the characters, exploring the settings, and making thoughtful predictions and inferences as the plot unfolds.

In english, we have been focusing on developing our grammar skills and writing for a variety of purposes. From creative stories and character descriptions to letters and instructions, the children have practised structuring their ideas clearly and confidently, while expanding their vocabulary and sentence choices.

Our maths learning this half term has centred on revision and consolidation. We've revisited key areas from across the year, including number work, calculations, time, shape, and fractions, helping to build fluency, boost confidence, and prepare the children for the next stage of their mathematical journey. In geography, we've been exploring the world of maps. The children learned how to read and interpret maps, recognise different symbols, and understand how maps help us make sense of our environment.

Our science topic focused on the environment and evolution. We investigated how animals and plants adapt over time to survive in different habitats. The children particularly enjoyed learning about unusual species and the clever ways they've evolved to thrive in their surroundings.

It has been a fantastic end to a busy and successful year. We are incredibly proud of everything the children have achieved and the enthusiasm they've brought to their learning. A special well done to the three members of LeapPad who are preparing to take the next big step as they move on to secondary school, we know they will continue to shine!

Robert, Leap Pad 2

Music

What a fantastic year it has been for music at our school! We are incredibly proud of all the hard work, creativity, and enthusiasm the children have shown throughout the year. The Summer Concert was a real highlight, with every performance full of energy and talent; it was wonderful to see so many children shine on stage. Thank you to those who came and supported and danced along to the performances!

A special mention goes to our amazing year 6 pupils for their outstanding production of Matilda, which showcased not only their musical abilities but also their teamwork and confidence. Well done to everyone involved; you've made this a truly memorable year for music!

From September, we will have some spaces for instrument lessons. These lessons are open to any child in years 3-6. If you would like your child to be added to the waiting list, please fill in this form: <https://forms.gle/8fmi4BHfE99JTWJw6>

Once a space has been allocated, you will be notified with a letter stating your child has gained a place and a payment will be set up for you on MCAS. If you do not hear from us, your child will remain on the waiting list until a place is available. Places are given on a first come, first served basis. You do not need to fill this in if your child already has lessons.

Thank you,

Amie & the music team.

Thank you to everyone who has signed up to the My Child at School App. We are continuing to get a really good uptake on this App which is becoming used more and more.

There is now a self sign-up service on the App. Just download 'My Child at School' from the App Store (it is free) and click 'Sign Up'. You will then be asked for the schools name and it will take you through to a sign up page where you will enter your email address and create a password.

All clubs, trips, attendance information, school reports and parents evenings will be operated through this App so please do sign up. If you need any assistance please call the office and they will be able to help you.

Attendance Update

Attendance has fluctuated throughout the year as we have battled various bouts of sickness and diarrhoea, chicken pox and the usual medley of seasonal viruses. Throughout these periods reporting of absences has been strong and we hope this continues in the next academic year. There has also been better transparency in reporting of holidays, so thank you.

Late arrivals have shown a significant improvement as we have progressed throughout the year with numbers dropping - so again thank you.

The national framework for fixed penalty notices changed in August last year. For the avoidance of doubt and for those who are not aware of the regulations further information can be found on the Suffolk County Council Website (suffolk.gov.uk) using the search bar to search under 'pupil attendance, penalty notices and welfare'

On a final note a big thank you to you all in terms of attendance and getting the children in on time. We hope you all have a great summer break and we look forward to seeing you back at Murrayfield on Wednesday 3rd September at 08:40 am

Sean Alcock, Attendance Officer

PE & Swimming Timetable – September 2025

Day	PE	Swimming
Monday		Year 1 Year 1 / 2 Year 2 5A 5B
Tuesday	Reception	3A 3B
Wednesday	3A 3B	6A 6B
Thursday	5A 5B Nursery 4A 4B Leap Pad 2	Reception Leap Pad 1 Springboard
Friday	Springboard Year 1 Year 1 / 2 6A 6B Leap Pad 1	Leap Pad 2 4A 4B

Please ensure that you send your child into school at the beginning of the day with the appropriate kit for PE or swimming – thank you.

Congratulations!

We would like to take this opportunity to congratulate **Aisha Al Mahmoud (5B)** on her hard work and success whilst competing for 'teamipswich' in swimming tournaments. Aisha won bronze medal in 50m backstroke, bronze in 50m breaststroke, and Gold in 50m freestyle! Well done Aisha, this is an amazing achievement, and we wish you every success in future competitions.

Contact Details

Can we please ask that parents and carers take a moment to check that we have the correct contact details for you. This is including up to date addresses, email addresses, and phone numbers. If we have incorrect details there is the possibility that you will miss out on important correspondence, many thanks.

School Collection Time

Please could we politely remind parents/carers that the end of the school day is 3.15pm. Please could you ensure, where possible, that children are collected at this time and not prior to the end of the school day, we have had an increasing number of children being collected from 2.30pm onwards over the past few weeks and therefore children are missing valuable lesson time.

Playground Etiquette at Drop off and Collection Times

Please could we politely remind adults that drop off and collect children to be **mindful of the language** used in our playground, particularly around our children. We would also ask that any **smoking/vaping is done away** from the school site and gates.

Bicycles should be walked through the playground for everyone's safety. Please could we also remind you that **dogs are not allowed** in the playground and should be **kept away from the gates**.

Nut Free School

A polite reminder that we are a nut free school, therefore please do not send your child into school with anything that may contain nuts - including chocolate spreads such as Nutella. Thank you for your cooperation.

School Meals

Just a reminder that children in Reception to Year 2 are entitled to Universal Free School Meals. Once your child is in Year 3 you will then be charged for your child's school meal (unless you are in receipt of free school meals). There will be an increase to the charge for a school meal from September and therefore meals will now be £2.50 per day (unless you are in receipt of Free School Meals), this will be payable through the MCAS App.

After School Clubs

Monday

Swimming Club KS1 (years 1 - 3) 3.15 - 4.15pm

Gardening club (years 1 - 6) 3.15 - 4.15pm

Tuesday

Gymnastics (all years) 3.15 - 4.15pm

Homework club (years 3 - 6) 3.15 - 4.15pm

Drama club (years 3 - 6) 3.15 - 4.15pm

Wednesday

Dodgeball (all years) 3.15 - 4.15pm

Art club (years 1 - 6) 3.15 - 4.15pm

Thursday

Ukulele (year 1 - 6) 3.15 - 4.15pm

ITFC football club KS2 3.15 - 4.15pm

Computing (years 3-6) 3.15 - 4.15pm

Friday

KS2 swimming (years 4-6) 3.15 - 4.15pm

ITFC football club KS1 3.15 - 4.15pm

Bookings will be live for the clubs on Monday 1st September at 6.00pm, the ITFC club bookings information will be sent separately.

Lunchtime choir

Lunchtime choir for KS2 will take place on Wednesday lunchtimes. There is no need for you to sign your child up to this. If your child would like to join, please have them speak with Amie.

GREEN LIGHT TRUST

FREE places on our School Holiday Woodland Adventure Days available throughout the Summer Holidays in Suffolk

Ipswich

Sessions 10am - 3.00pm

We have free* sessions running throughout the Summer holidays. Our adventure days provide a fun and informative day, allowing young people aged 7 - 12 to explore, learn and have fun at our wonderful and diverse woodland venue at Castan Woods, Martlesham, Ipswich

Spending time in woodland settings reduces stress, lowers anxiety, and increases concentration levels. Away from the triggers of the everyday - children and young people have the space just to be. Our School Holiday Woodland Adventure Days are FREE* fun sessions, with a hot meal cooked over the open fire provided.

*Free places are available for those eligible under the free school meals scheme. A limited number of spaces are available for privately funded spaces.

Hop into the summer break with us!

We hope you're all looking forward to the summer holidays! Some of you may have already had the chance to see some of the school & group's sculptures on the trail, if not, we hope you enjoy spending time completing it over the break. Don't forget to tag us in any photos you take while

Suffolk Library Summer Reading Quest

WHERE WILL READING TAKE YOU THIS SUMMER?

Suffolk Libraries challenges children and their families to complete the Reading Quest

Supported by  ANGELS

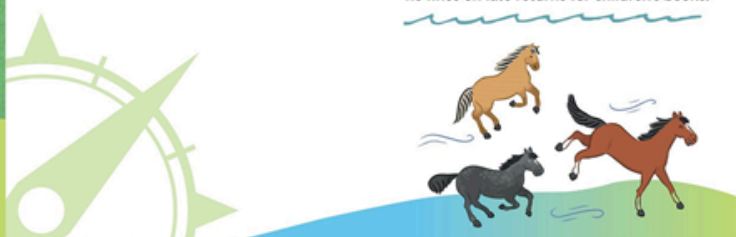

READING TIPS

Choosing something you want to read is the most important part of enjoying reading.

Choose something new and exciting, old and familiar or something to share with a family member.

Find time to read every day, even if just for 10 minutes. Reading is great for learning new things but also helps with relaxation and boosting your imagination.

Try new styles and genres of reading materials; books, magazines, gaming manuals, verse novels or comics! There are no fines on late returns for children's books.

SUFFOLK LIBRARIES **WHERE I BELONG**

READING QUEST

WHERE WILL READING TAKE YOU THIS SUMMER?

Supported by  ANGELS

ABOUT THE QUEST

Join the Reading Quest hosted by Suffolk Libraries and head off on a new adventure with reading this summer.

Grab your map and borrow a few books to get started!

Complete as many of the challenges as you like and visit your library each week to share your experiences with our staff and volunteers. Borrow a few more books! Come back each week to unlock a new reward!

Involve your whole family in the Reading Quest and have fun!

CHOOSE ANY OF THE SUGGESTED CHALLENGES BELOW OR THINK OF YOUR OWN AND HAVE FUN!
