

Minutes of Academy Council meeting held on Thursday 23 October 2025

Attendees:

Laura Strutt (LS)

Clair Tramontini (CT) (Chair)

Faye Gaffer (FG), minutes

Yuhanize Yaylagul (YY)

2 virtual attendees

Recruitment to Academy Council

A discussion took place around the current vacancies for the Academy Council. CT/LS will take forward those that have shown interest and confirm with them and then direct to FG for the paperwork that needs to be completed.

Update on Parking

CT/LS reported that they had received very positive feedback from parents with regards to members of the leadership team being outside the back and front of the school to move vehicles on from parking outside the school. One parent confirmed that they had also spoken to Ipswich Borough Council and the local police to try and help with these parking issues around the school. A discussion took place that there is a need to educate parents on safe parking. Parents noted their thanks to the school for their efforts.

Any other business

The feedback from the EYFS Autumn Fayre had been very positive and parents would like to see this take place again.

It was confirmed that the issue surrounding the gate opening times had been resolved and were now opening up at 8.40am. LS/CT to remind parents that there are two gates to enter the school by and also that if parents need to drop children in earlier than when the gates open the school does run a breakfast club from 8.00am for a small charge.

Walking bus - YY asked if there was any update on the walking bus that EYFS were looking into. FG would ask Georgina for an update to feedback at the December meeting.
