

19th June 2026

Dear parent/carer,

There are now four weeks remaining until the scheduled summer fair and preparations are currently proceeding as planned. The raffle will feature several notable prizes, including vouchers for Jimmy's Farm and Play 2 Day.

**Opportunities to Support the Event**

Your contributions toward this event would be greatly valued.

We are specifically requesting the following items for the tombola stall:  
Non-perishable food and beverage items, such as tinned goods, biscuits, confectionery, and bottled or canned drinks.  
Small gift items, including but not limited to bubble bath, candles, and soaps.

Additionally, we are organizing a toy stall and would welcome donations of toys, games, and soft toys.

Donations may be delivered to the school office from the present date until 6th July 2026

Freshly baked cakes may be brought to the school on the day of the fair.

We thank you for your ongoing generosity and commitment to ensuring the success of this event.

Yours faithfully,

Anne Berry  
Nursery Nurse
