

Wednesday 30th September 2026

Dear parent/carer,

Nursery Family Tree Photo Share.

As part of our Family Focus topic in EYFS, we would love to learn more about the special people in our children's lives.

Please use the [Google Document](#) to upload and share a few family photos that your child would enjoy talking about with the class. These could include photos of family members, pets, or special family moments.

Please add your photos by **Thursday 8th October.**

Thank you for helping us make our learning personal and meaningful for the children. We look forward to seeing your lovely family photos!

Yours faithfully,

Sophie Mair and Kirsty Haddock

Class Teacher & Early Years Foundation Stage Lead
