

25th September 2026

Dear parent/carer

Year 1/2 Parent Share Session Friday 23rd October

As part of our science curriculum this half term, Year 1/2 pupils have been learning all about *plants*. Throughout the term, we have explored how plants grow, the different parts of a plant, and their functions.

To celebrate the children's learning, we are delighted to invite you to our **Year 1/2 Parent Share Session** on **Friday 23rd October**, from **2:15 pm to 3:00 pm**.

This will be a lovely opportunity to spend some time completing a range of fun, plant-themed activities with your child, as well as a chance to speak with the class teacher about how your child is settling in and progressing at school.

If you would like to attend the parent share event please complete the form below and return to your child's class teacher by Tuesday 20th October. On the day, please come to the main office by 14.10pm where a member of staff will greet you. Due to capacity, we can only have two adults from each family attending.

Please fill in the [form](#) to let us know if you can attend.

Yours faithfully,

Ana Magalhaes

KS1 Phase Leader / Year 1/2 class teacher
