

25th September 2026

Dear parent/carer

Year 2 Parent Share Session – Friday 16th October

As part of our science curriculum this half term (Autumn 1), Year 2 pupils are learning all about plants. We will be exploring what plants need to grow, planting seeds, observing their growth, and learning about different types of plants and trees.

To support this learning, we are pleased to invite you to a **Parent Share** session on **Friday 16th October from 2:15pm to 3:00pm**. This will be a lovely opportunity for you to take part in a range of activities with your child and to speak with the teacher about your child's progress.

If you would like to attend, please complete the form below and return it to your child's class teacher by **Friday 9th October**. On the day of the event, please arrive at the gate by **Nacton Road by 2:05pm**, where a member of staff will greet you.

Due to space limitations, we kindly ask that only **one adult per family** attend the session.

Please fill in the [form](#) to let us know if you can attend.

Yours faithfully,

Aiste Nikiforovaite

Yr 2 Class Teacher
