Dear parents/carers,

Year 6 SATs Parent Share

For parents who have a child in year 6, we know that the upcoming Key Stage 2 SATs are likely a big topic of conversation at home. We want to ensure that both you and your children feel prepared, confident and supported as we approach the assessment period.

To help with this, we would like to invite you to a **Year 6 SATs Parent Share** afternoon. This will be an informative session designed to take the "mystery" out of the SATs.

Event Details

- **Date:** Thursday 15th October 2026
- **Time:** 14:00 – 15:00
- **Location:** Main Hall

What the Session Will Cover

During the afternoon, we will share:

- **Sample Materials:** An opportunity to look at past papers to understand the expectations for Maths.
- **Home Support:** Simple, effective ways you can support your child's learning without adding extra pressure.
- **Wellbeing:** Our approach to ensuring the children remain calm and confident throughout the week.

We believe that a strong partnership between home and school is the key to helping the children feel ready to do their best.

Yours faithfully

Yvonne and Beth
